

Tri-Rivers Career Center

2222 Marion – Mt. Gilead Road
Marion, OH 43302

We are excited about the training opportunities that we are able to offer through our RAMTEC center. This is our official quotation for Fanuc Certified Education Robot Training - Handling Tool Operations & Programming a 32 hour course.

The training will be held at the RAMTEC training facility at our main Tri-Rivers campus located at 2222 Marion – Mt. Gilead Road, Marion, OH 43302. Classes are Monday, Tuesday, Wednesday, and Thursday from 8:00 am to 4:30 pm.

* The cost of the class is \$1,420 per person.

* If you are registering more than one employee for the same week of training then the additional registrant would receive a 10% discount.

* This price includes the instructor-led training, textbooks, and hands-on lab practice. Please note that there is approximately 30 hours of online training that must be completed by employees taking the class prior to attending the instructor led-sessions. Please ensure that training is scheduled with appropriate lead-time to allow online training to be completed.

*Upon acceptance of this quotation, student accounts will be set up and access to the online training modules will be provided. Please provide a list of the names of individuals scheduled to take this training so that accounts can be set up.

*Payment is due upon registration for the class. Company purchase orders are accepted with invoices sent out upon confirmed registration. Payment is due within 30 days of the invoice date. Should you cancel training within 15 days of the start date, a 10% cancellation fee will be assessed (consideration will be given for rescheduling the training to a later date).

*For payment contact Richard George 740-389-4682 ext.525

Thank you for choosing Tri-Rivers, a Fanuc Certified Training and Education site, as your training partner. We are proud to be a provider of quality training services for local business and industry.

Sincerely,

Mark Edington
C.E.R.T. / Fanuc Robotics
